STEEL... FOR LIFE

National Award for Best Quality

Corporate House

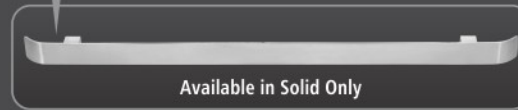

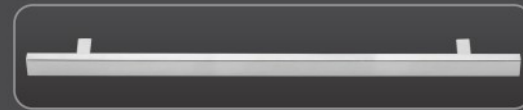

Production Unit

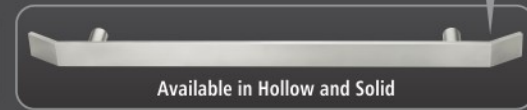

Kich Architectural Products Pvt. Ltd. is Rajkot-based India's leading company in the premium segment of Architectural Hardware, Bathroom Accessories and Handrails & Baluster Systems. With a vision to deliver excellence, Kich was established in the year 1992. Initially, Kich was formed as an export oriented unit while in the year 1998, it began its operations for Indian market. Although having a very humble beginning, Kich grew at a very fast pace due to the unmatched quality and unique craftsmanship of its products.

Today, Kich is held in high regards for its tailor-made solutions. Being a brand of the export market, Kich has always fulfilled global quality parameters. Kich products are the epitomes of enduring strength, stunning aesthetics, unique designs and excellent functionality. To reach to the excellence, Kich follows quality norms prescribed under ISO 9001:2008 and other stringent international standards. To suit its production objectives, Kich operates from a state-of-the-art manufacturing facility which spreads in over 2,00,000 sq. ft. area in Rajkot, Gujarat, India. Due to an in-house Design Studio, Tool Room, R&D division and Testing facility, Kich has succeeded in consistency of product performance. This approach made it possible for Kich to win the National Award for Best Quality Products.

Besides being well-rooted in India, Kich has an impressive presence in 22 countries of Europe, Middle East and Africa. Apart from leading residential and commercial projects, Kich is an OEM supplier to the manufacturers of Fire Door, Clean Room, Furniture, Kitchen, CNC Machine, etc. Further, Kich has also developed a reputation for quality handrails by consistently supplying it to various elevator manufacturing companies at national and international level.

Available in Solid Only

Available in Hollow and Solid

Perfection comes when one right thing meets to another. Perfection comes when you take special care while making choice of hardware even though it is as small as Handrail of your elevator. Kich can help you make the best choice when it comes to Elevator Handrail. We can provide you Elevator Handrails that have premium quality and natural beauty. Being made of high grade AISI 304 stainless steel, they are able to improve aesthetic appeal of your elevators. Due to having modular components, there will not be any welding marks adding more beauty to the elevator. Moreover, these Elevator Handrails are also easy to maintain relieving you from daily focus.
